## Gain Total Visibility and Control with INFORM™ Tolling Software

INFORM™ Tolling is included with PrePass Tolls. Benefit from having a leading data management tool in the industry that gives truck operators and fleet managers comprehensive tolling intelligence in a single portal.

### INFORM puts you in the driver seat to effectively manage tolls:

- Track and report annual toll spending and total cost savings
- Use alerts to identify device misuse
- Optimize routes to minimize toll exposure and trip delays
- Protect toll budgets by catching and preventing fraud
- Coach drivers and dispatchers to improve routes based on time and toll cost
- Export and integrate toll cost data into your backend systems

### PrePass Tolls Promotional Terms and Conditions

#### \*Meet or beat best price guarantee

PrePass will meet or beat the toll service charge a motor carrier pays for toll management services at the time of proposal. Customer must provide a valid agreement, invoice, and/or other verified means as determined by PrePass and subject to PrePass review, in its sole discretion, to verify the customer's current toll service charges. Limited to the toll service fees only and does not apply to toll charges, fees, violations, pass-through fees, equipment rental fees, lost or damaged device fees, and standard deposit, bond, or other PrePass-approved surety. Limited to the first 1,500 accounts as determined by PrePass® in PrePass sole discretion.

#### \*\*90-day fee-free PrePass Tolls service

Requires a one-year agreement. From the time of activation, qualifying customers will have PrePass toll service charges waived for the first 90 days. Promotion applies only to service fees. Customer is responsible for all toll charges, fees, violations, pass-through fees, equipment rental fees, lost or damaged device fees, and standard deposit, bond, or other PrePass-approved surety. Limited to the first 1,500 accounts as determined by PrePass® in PrePass sole discretion. Devices/trucks added after the initial activation will have service fees waived only for the remainder of the promotional period. Promotion applies to toll devices assigned to an account. Devices/trucks enrolled in PrePass toll service in the six months previous to activation do not qualify. In case of default, customer will be responsible for toll service fees waived during the promotional period. Current PrePass toll service customers do not qualify for this promotion.

\*Offer only valid for the term described and may not be combined with any other sale, promotion, discount, code, coupon and/or offer. Promotions have no direct cash value. Void where prohibited, taxed or otherwise restricted.
